

Advanced Built. Individually Inspired.

Green by Design Open House
Saturday, October 10th, 1-4 p.m.

Bring your plans & ideas and join us for a casual afternoon of demonstrations by New England's top green experts in architectural, interior, kitchen, flooring, alternative energy systems and landscape design.

Representatives from Crown Point Cabinetry, Design East Interiors, Carlisle Wide Plank Flooring, KW Management, Green ICF Building Solutions, Andrews Construction, and award-winning architect Elise Stone will be on-hand to share their knowledge of the benefits of green design and energy efficient living.

Each representative will present a 20-minute demonstration geared around building a custom green home the smart way - by designing the home to fit your family, lifestyle and budget.

A BBQ and live entertainment will round out the day, so don't miss the opportunity to tap into some of the green home building industry's top talent and get started on the path of building your dream home the right way...green!
